

CEREMONY FOR THE PRINCESS' RIBAND

PREPARATION: Given to reward those who have been of exceptional service to the Princess.

Scroll/Promissory: None

Token: **Tokens** in whatever form Her Highness desires.

★ **NOTE: DO NOT CALL RECIPIENTS, YET!**

Herald: During the reign of Nikolai, His Princess, Annora, was minded to honor those whose talents and unstinting service had uniquely enriched her reign. She therefore created the honor of the Princess' Riband, to be given to those who have been of great personal assistance to the Princess. This honor will in and of itself convey no precedence or award, but is a token of the thanks of the Princess, and shall nonetheless be listed in the Order of Precedence of Oertha. The token of this honor is a ribbon in the personal colors of the Princess bestowing it, additionally decorated as She sees fit. Let the following people come forward at this time to receive this recognition from Her Highness.

(Read list of names provided by Her Highness. Those called come forward and kneel. Princess presents tokens and thanks to each individual. Holder of the Riband are given leave to depart.)

Herald: For the new holders of the Princess' Riband, Hip, Hip ...
